

LSLIB Community Planning

This survey has been developed to gather information about member perspectives on LSLIB and our Community & Economic Development priorities for the future. The results will be used to inform planning and development efforts to strengthen the foundation of our community. Please try to answer all questions to the best of your ability. Your individual response will be confidential.

1 What is our organization passionate about doing for our members?

2 What are we best at and where can we continue to excel?

3 What will our membership “look like” five years from now?

4 What do you think will be important for us to deliver in best serving them?

5 What capabilities do we want to put in place to stretch our organization and better serve our members?

6 What are the things we need to concentrate on to meet the emerging and evolving needs of our members?
